

Turkey Permit Drawing System

- ◆ Turkey permits are distributed by drawing using a preference system which determines which applications go into the drawing first, second, etc. First preference is resident landowners, second preference is residents who applied for, but did not receive, a spring permit the previous year, third preference is all other residents. Nonresident landowners followed by other nonresident applicants are fourth and fifth preference respectively. The number of permits for each zone are divided equally amongst each of the six spring time periods. Success in the drawing depends on the number of permits vs. the number of applicants for each time period. Those who restrict their choices to only the early time periods may not draw a permit, while those who apply for any time period may receive two. If permits remain after the first drawing, a second drawing is conducted to issue remaining tags.
  - ◆ **Fort McCoy:** Applications for Fort McCoy spring turkey hunting permits may be obtained by calling 608-388-3337 or by writing to Fort McCoy, no earlier than February 1. Write to: Directorate of Training & Mobilization; AFRC-FM-TMR-B (Permit Sales), 110 E. Headquarters Rd., Ft. McCoy WI 54656-5226. *Note: You may not apply for a Fort McCoy spring turkey permit if you already received approval to hunt turkeys in a Wisconsin turkey hunting zone for the spring 2004 season.*
- License Requirements
- ◆ **Beginning this year, successful applicants will not receive their permits via mail.** Successful permit applicants will be mailed a postcard notifying them that they were successful in drawing a permit. The notification will indicate the zone and time period for which their permit is valid. **Successful applicants must obtain their permit from a DNR license vendor.**
  - ◆ Except for Conservation Patron and Senior Citizen Recreation Card holders, all applicants successful in drawing a permit must purchase a 2004 Spring Turkey License and 2004 Turkey Stamp\* to hunt turkeys with firearm or bow: Resident License—\$13.00, Non-resident License— \$60.00, Turkey Stamp—\$5.25. Patron license holders who have been successful in the drawing will be issued a permit at the time they purchase their Patron license.
  - ◆ Spring Turkey license and stamp\* will be available for purchase beginning mid-March at DNR Service Centers, ALIS license agents, by calling toll-free 1-877-945-4236 or by going on line at [www.dnr.state.wi.us](http://www.dnr.state.wi.us) (VISA, Mastercard; there is a \$3 handling fee for purchases by phone or Internet.)
  - ◆ For ease and convenience, apply for your permit and purchase your license on-line ([www.dnr.state.wi.us](http://www.dnr.state.wi.us)).
- \* Because the ALIS system prints your turkey stamp “privilege” on your license, the actual stamp is no longer required. The actual stamp is available at DNR service centers for collection purposes.

Turkey Stamp and Carcass Tag

- ◆ Hunters must have their turkey license/stamp/ permit/carcass tag with them while hunting.
- ◆ An additional change this year is that registration stubs will be available at the registration station and will not be part of the license.
- ◆ It is illegal to transfer a license, permit/carcass tag, or stamp privilege to another, or allow their use by anyone else.

Baiting

- ◆ No person shall hunt by the aid of baiting or over a baited area where a person knows or reasonably should know that the area is or has been baited. A baited area is considered to be baited for 10 days after the complete removal of the bait.

Special Hunts

- ◆ Loew Lake Unit Novice/Disabled Turkey Hunting: Spring turkey hunting is available for a limited number of first time and class A & C Disabled hunters. For information call (262) 670-3400 or write to: KMSF-Pike Lake, 3544 Kettle Moraine Rd., Hartford, WI 53027.

Additional State Park Hunts

- ◆ In 2004 and 2005 extra Spring turkey hunting opportunities will be offered to a select number of turkey hunters in zones 34 and 37. Hunters who receive a permit/carcass tag valid for one of the first **three** time periods in zones 34 or 37 will have the opportunity to enter a secondary drawing to Spring turkey hunt in 3 additional state park properties: Newport, Interstate and Willow River State Parks (see map). Information on this secondary drawing will be mailed to eligible turkey hunters. In addition to turkey license, stamp and permit/carcass tag, a free map/permit will be issued to those who are successfully drawn. This state park permit is **not** an additional permit, but will simply allow the hunter the opportunity to hunt at one of these state park properties. For more information please contact the park office or the Bureau of Wildlife Management at 608-266-8204.

Bag Limit

- ◆ The bag limit is one bearded or male turkey per tag issued. A bearded turkey is a turkey with a bristle-like appendage protruding from the upper part of the breast. **Note:** Bearded or male turkeys with white plumage may be harvested and must be tagged in accordance with proper tagging procedures. **Note:** Applicants receiving 2 tags may harvest 2 turkeys on the same day *only if* both tags are for the same time period.

Other Restrictions

- ◆ You may not hunt turkeys:
  1. By any means other than a shotgun or muzzle-loading shotgun fired from the shoulder, a bow and arrow or crossbow\*.
  2. With shotshells loaded with shot **larger** than:
    - no. 2 steel
    - no. 4 lead or
    - other no. 4 non-steel shot
  3. With the aid of recorded bird calls or sounds, or electrically amplified imitations of bird calls or sounds.

  5. With live decoys for the purposes of enticing turkeys.
  6. With the aid of bait.

\*Crossbows are only allowed for resident hunters 65 years of age or older and disabled hunters with a Class A, B or crossbow permit. The crossbow shall have a minimum draw of 100 pounds, a workable safety, and use minimum 14-inch bolts or arrows and broadheads.

- ◆ You **must** possess a turkey hunting license, stamp and valid, **unused** carcass tag if you possess a firearm, bow or crossbow *and*;
  - a) a turkey decoy or calling device, or
  - b) a member of your hunting party possesses a turkey decoy or calling device
- ◆ No license is required to call turkeys for another hunter if the caller does not possess a firearm, bow or crossbow. However, a guide license is required if a fee is charged.

Tagging, Transport and Possession

- ◆ Upon killing a turkey, immediately validate the carcass tag by cutting the slit corresponding to the day of kill; then attach the tag to the featherless part of the turkey’s leg with a string or other tie.
- ◆ You may not carry by hand, possess or transport a turkey unless you have lawfully killed and tagged the turkey.

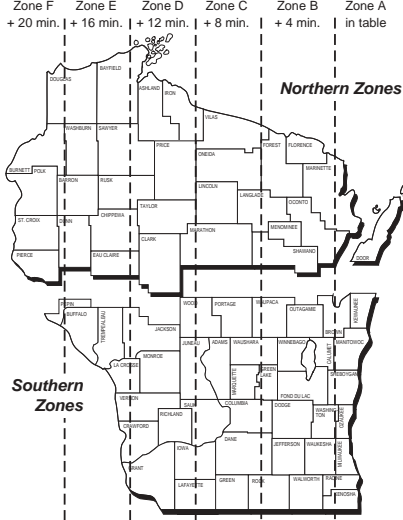

Registration

- ◆ Bring your tagged turkey (registration stubs will be available at the registration station) to a designated registration station no later than 5:00 P.M. the day after it is killed. A metal registration tag will be attached to lawfully taken turkeys; keep this tag until the meat has been eaten. For a list of registration stations call your local DNR service center or look on the DNR website ([www.dnr.state.wi.us](http://www.dnr.state.wi.us)).

# Spring 2004 Wild Turkey Management Zones

## Focus on Safety

- ◆ Be certain what you see or hear is a turkey—not a decoy or person.
- ◆ Do not wear red, blue or white—the color of a gobbler’s head.
- ◆ Consider wearing blaze orange when moving from place to place.
- ◆ When another hunter approaches never wave, stand or sound a turkey call; use your voice or whistle instead.
- ◆ Avoid stalking turkeys. Use decoys with caution.
- ◆ Select calling or ambush sites with your back to a tree at least as wide as your shoulders and where you can see at least 40 yards in all directions.
- ◆ Never assume you are the only hunter in the woods.
- ◆ Be certain no one is positioned beyond the turkey you are shooting at.

## Turkey Hunter Education

- ◆ Learn turkey biology and behavior, turkey hunting methods, regulations, safety precautions, landowner-hunter ethics, scoring trophy birds, and ideas on how to prepare your bird. These **FREE Turkey Hunting Education Clinics** will be held around the state during February and March and are sponsored by the Wisconsin DNR and the Wisconsin Chapter of the National Wild Turkey Federation. Plan on attending one in your area and either brush-up on your skills or learn new techniques to bag that elusive long-beard. Call (608) 261-8458 or log onto [www.dnr.state.wi.us](http://www.dnr.state.wi.us) for a list of clinic dates, times and locations.

# SPRING 2004 Wild Turkey Hunting Regulations

2004 Turkey Stamp design by Joni Monroe Beinborn

## Dear Turkey Hunter,

*Thank you for being part of one of Wisconsin’s greatest wildlife success stories! The turkey population continues to grow in Wisconsin thanks in large part to you. Please continue to help manage your turkeys by registering your turkeys and completing all survey materials.*

*This Spring you will notice an obvious change to your permits. Permits will no longer be mailed to successful applicants. Rather, to better utilize hunter dollars, we will be sending a postcard notifying you of your success, which you must take to any license vendor where your permit will be issued along with your spring turkey license and stamp approval.*

*As you head out to hunt this year keep in mind safety. Avoid hunting accidents by identifying your target and following basic turkey hunting safety tips. Remember it is the responsibility of every hunter to engage in safe, ethical, and legal hunting practices. Have a safe and enjoyable turkey hunt!*
